Disclaimer

In this case we are acting as brokers only. The Vendor is not selling in the course of a business. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and / or to have an engine trial conducted, which if carried out by us shall not imply any liability for such engine on our part.
Note to seller and purchaser: If the boat you are selling or purchasing is registered, please ensure that the registration is completed after the sale of the boat. If the purchaser wishes to cancel the registration is the duty of the seller to contact the Registry and inform them that the registration is to be cancelled. If the purchaser wishes to continue with the registration, it is the duty of the purchaser to complete the relevant forms and post off the bill of sale to the Registrar.
